

ZENITH MS INTERNATIONAL OLYMPIADS

PORTFOLIO

ABOUT US

The name Zenith represents the highest point of human potential—a symbol of excellence, ambition, and achievement. Inspired by this vision, Zenith MS connects Angolan students with international Olympiads, academic competitions, STEM programmes, and educational exchanges, providing world-class opportunities that develop creativity, critical thinking, leadership, and global citizenship, empowering every student to reach their own zenith.

VISION & MISSION

Vision

The word Zenith represents the highest point, the moment when a person reaches their maximum potential. It symbolizes our commitment to helping students aim higher, discover their abilities, and pursue excellence. We believe that every student can reach their own "zenith" when provided with the right environment, motivation, and opportunities.

Mission

Zenite MS Olympiads Angola aims to:

- Promote academic excellence among students;
- Encourage critical thinking and creativity;
- Motivate and facilitate students to learn Mathematics, Science, Robotics, Computer Science/Coding, with our methodologies to succeed in completion.
- Provide international competition opportunities for Angolan students;
- Create bridges between Angolan schools and global educational organizations;

INTERNATIONAL PARTNERSHIPS

Zenith MS has established strategic partnerships with Unicep Centre, Horizon Olympiads, and Tripalla through a five-year Framework Partnership Agreement. The collaboration includes student and teacher exchanges, joint participation in STEM and Olympiad programmes, scholarship and university pathway opportunities, cultural exchange initiatives, and collaborative research and innovation projects. The agreement provides a flexible framework for long-term cooperation, with specific projects and commitments governed by separate written agreements. This partnership model reflects Zenith MS's broader strategy of building lasting relationships with national schools and leading international institutions.

INTERNATIONAL PROGRAMME

Zenith MS provides students with access to international academic opportunities through global Olympiads, educational exchanges, and collaborative learning programmes. By connecting schools with leading international institutions, we foster academic excellence, cultural understanding, innovation, and global citizenship, preparing students to thrive in an interconnected world.
